PROFESSIONAL SUMMARY

Frontend Developer focused on building fast, accessible, and visually polished web experiences with React and Next.js. Skilled in translating designs into pixel-perfect, responsive interfaces using Tailwind CSS and Framer Motion, with a strong eye for performance optimization, technical SEO, and clean REST API integration. Comfortable owning projects end-to-end — from Git-based version control through production deployment — within modern AI-assisted development workflows.

TECHNICAL SKILLS

FRONTEND

React.js · Next.js · JavaScript · HTML5 · CSS3 · Tailwind CSS · Framer Motion

DEPLOYMENT

Netlify · Vercel · Cloudinary · Production Deployment · Custom Domain Setup

DEVELOPMENT WORKFLOW

Git · GitHub · AI-Assisted Development · Prompt Engineering

EXPERIENCE

Frontend Developer Intern — MagicalDigi

6 MONTHS

- Developed responsive, production-ready business websites from design handoff through deployment.
- Built a library of reusable, accessible UI components to accelerate delivery across projects.
- Integrated backend APIs and implemented technical SEO to improve functionality and discoverability.
- Improved load times and rendering performance across key user-facing pages.
- Managed production deployments and incorporated client feedback through iterative releases.
